Thread: job choice: lawyer or journalist?

May 04, 13:23

Tony

Our school careers officer wants us to think about what jobs we want to do in the future. I don't know what job to do. I'm good at English and I love writing. I'm not very hard-working at school because I don't have to work hard to get good grades. I'm also good at math and physics. Which job is better for me? Thanks.

Stymo

You're too lazy right now to be a lawyer. You have to work REALLY hard. It isn't as easy as you think. Also, there are too many law students and the exams are very hard.

I'm NOT lazy. I'm just smart, so I don't have to work hard at school. And I'm confident. All lawyers in the movies are confident! But I don't think a lawyer's job is exciting enough. I also want to travel.

Kramer

If you want to travel, look at other options. How about airline pilot? They travel a lot, and they earn a lot of money.
